

# Geography LEARNING JOURNEY

Economic futures in the UK

GCSE  
Geography

Fieldwork recap

Paper 2 recap

Geographic Mastery: Revision, Practice, Prerelease

Prerelease work

Paper 1 recap

Mock exam preparation

Tourism can help a country develop

Rich world, Poor world

Economic World

In depth study of Nigeria's economy

Closing the gap

YEAR  
11

Natural disasters

Nepal 2015 and New Zealand 2016 Earthquakes

Tropical storms and Typhoon Haiyan

Earthquakes and volcanoes

How climate change impacts tropical storms

In depth study: Portsmouth

In depth case study: Rio

Example: The river Tees

River features

Large scale water transfer project: China

Food, Water and Energy are fundamental to human development

River Landscapes

Resource Management

YEAR  
10

Managing river flooding

River Processes

Local water project: Sand Dams Kenya

Climate change

UK's changing provision of resources

Why is the desert spreading? How can it be stopped?

What are they like?

Deserts

A detailed study of the Sahara desert

How can we develop our deserts sustainably?

Rainforests

A detailed study of the Amazon rainforest

Coasts

Coastal erosional and depositional features

Weathering and erosion

How a map saved lives, 1854

Is the impact of an earthquake dependant on the development of the country?

Population and development

Mega Cities

If the world was just 100 people, what would it be like?

How did we stop piracy in the Somali sea?

How does disease impact development?

Crime

Local crime: A school based study

Environmental crime: Deforestation

How can we control the spread of disease?

Malaria, HIV and Ebola

Restless Earth

Volcanic eruptions

Tsunami

Earthquakes

The Volga river

Plate tectonics

YEAR  
8

Tropical Storms

Where in the world do they form?

Climate change and storms

Alton

Sharks!

Coral reefs

Global ecosystems

Save our planet!

Glaciation

How humans cause flooding, A school based infiltration study

Climate change

YEAR  
8

The Russian Bear

Russia's plan to "steal" the arctic

Our coastline – Durdle door and Lulworth cove

Map skills

Sustainable Dubai?

Tectonic Iceland

YEAR  
7

Amazing Places

welcome

In Europe?

Hurricanes, Typhoons or Cyclones?

Slum -ing it in Mumbai
