

I can identify causes and consequences of major events.

I need to consider explaining this in more detail and include contextual knowledge.

Emerging

I can describe a range of causes and consequences of major events.

I have some understanding of contextual knowledge, but it will be very general.

Developing

I can explain a range of causes and consequences of major events.

I am able to explain how and why.

I am able to provide appropriate contextual knowledge which supports my answer.

Secure

I am able to make links between causes and consequences.

I can also prioritise them.

I am able to make a judgement on which may be the most important.

I will use precise contextual knowledge.
