Outline the rationale for the choice of assessment evidence used, i.e., why the evidence above was used and how it supported the grading decision:

Component 1 evidence – written exams.

- Exams were completed in school, so we could ensure consistency of conditions and access to the script of Blood Brothers.
- These exams ensure that students have covered all the component 1 assessment objectives.

Component 2 – Devised Coursework

- Devised performances and written logs marked and moderated to ensure all devising assessment objectives have been met.
- Written explanations for performance used in conjunction with the performances in year 11 in line with AQA Guidance 2021

Component 3 – Text in Practice Scripted performances

- Students all assessed using GCSE marking criteria and their mark doubled in line with AQA guidance for 2021 entry.
