If an assessment objective has been omitted at subject cohort level, please briefly outline the reasons why:											
➤ N/A											
Outline the rationale for the choice of assessment evidence used, i.e., why the evidence above was used and how it supported the grading decision:											
➤ Assessments cover all AO's to show student ability to demonstrate key historical skills.											
➤ Written assessments in April-May and January 2021 cover: Paper 1 = utility, source follow up and hypothesis; Paper 2 = narrative and causation; Paper 3 = inference and interpretation. Questions selected for assessment are typically more challenging, to allow students to show progress in their knowledge and historical skills. Also repeated skill focus of assessment from January assessment, allowing students to show improvement.											
➤ Most recent assessments completed by the whole cohort.
