<p>If an assessment objective has been omitted at subject cohort level, please briefly outline the reasons why:</p> <p>➤ All Assessment Objectives Covered</p> <p>Outline the rationale for the choice of assessment evidence used, i.e., why the evidence above was used and how it supported the grading decision:</p> <p>➤ The NEA completed is a current and up to date piece of evidence that forms significant evidence to support grading (as guided by the exam board). The two exam board assessments have been used in class under a high level of control. The majority of students completed their PPE in school. Where students have no PPE 1 the marks for PPE2 have been submitted. The Year 10 project was the last full project that students completed before starting NEA and was completed wholly in school.</p>
