Science - Physics

GCSE Assessment Record

Summer 2021

Exam Board: AQA (9 - 1)

Subject Code: 8463

Science Physics	Type of Assessment	Unit - Physics				Level of Control H, M, L
		AO1	AO2	AO3	Units	
Assessment 1: Mock examination Paper 1 March 2020	Formal mock examination	Y	Y	Y	P1 to P4	H
Assessment 2: Mock examination Paper 1 November 2020	Formal mock examination	Y	Y	Y	P1 to P4	H
Assessment 3: Mock examination Paper 1 & 2 questions January 2021	Completed during lockdown on MS Forms	Y	Y	Y	P1, P2, P5, P6	L
Assessment 4: End Y11 Assessments Paper 2 questions May 2021	In class assessments – exam conditions	Y	Y	Y	P5, P6, P7	H
If an assessment objective has been omitted at subject cohort level, please briefly outline the reasons why:						
➤ All assessment objectives covered in assessments.						
Outline the rationale for the choice of assessment evidence used, i.e., why the evidence above was used and how it supported the grading decision:						
➤ The evidence used has been based on AQA supplied materials, whether complete suites of past exam papers, specimen materials or questions from Exampro, the AQA database of past exam questions. Three of the four assessments were completed in exam conditions, and one was completed at home during the lockdown period. End of year 11 assessments have allowed us to verify the TAG's that were determined prior to the final assessment window and have validated the TAG's that have been submitted for award. Excepting Assessment set 3, the evidence is of a high standard and of high integrity, and acts as our 'gold standard' evidence. The Assessment Set 3 completed at home constitutes evidence of a 'bronze standard'.						

Subject Title: GCSE Physics

Subject Code: 8463

Head of Department: Mr J Dance

Date: May 2021

Subject teacher: Mr T Roach
