If an assessment objective has been omitted at subject cohort level, please briefly outline the reasons why:						
➤ All assessment objectives have been taught over the 3 years.						
Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:						
➤ In September 2020 the exam board cancelled the art and photography exam and made Coursework 100%.						
➤ The exam board has advised that the coursework will remain 100% the source of student's evidence when awarding teacher assessed grades.						
➤ We will mark the body of work completed over the past 3 years.
