

Eggars School

Science Teacher September 2023

We are seeking to appoint an enthusiastic, and talented Teacher of Science to join our outstanding Science Department, which has superb facilities including interactive touch screens and a very talented and enthusiastic team of Science Teachers. This post is suitable for an Early Careers teacher, or a teacher who is excited by the opportunity to work in an outstanding school to develop their practice.

For interested candidates who would like to:

- work in a great school with a strong positive and supportive culture
- work with a fantastic curriculum team with excellent GCSE results
- know that your CPD is of the highest importance to us
- be part of our amazing Eggars Experience opportunities where you can develop your own interests outside of the classroom with students

The successful candidate will be a creative individual, excited by the challenge of working in an outstanding school with a very strong Science team. A visit for a tour of the school, a chat with the Head Teacher and a coffee is highly recommended. All staff will enjoy a high-quality induction programme and there are many professional development and career opportunities available for the right candidate.

For further details and the necessary forms, please see our website
www.eggars.net

Eggars School is committed to safeguarding and promoting the welfare of children and young people and expect all staff to share this commitment. All successful applicants will be subject to DSB checks and other relevant employment checks.

Closing date: 30 June 2023
