Curriculum Leader of Art

Encouraging every
individual to belong, to
aspire, to achieve

Eggar's School is committed to safeguarding and promoting the welfare of children and young people and expect all staff to share this commitment. All successful applicants will be subject to DBS checks and other relevant employment checks

Closing Date: 11 December 2020

Welcome from Patrick Sullivan, Head Teacher

Thank you for your interest in this position. We are seeking to appoint an enthusiastic, and talented Curriculum Leader of Art. The department currently delivers both GCSE Art and GCSE Photography and has excellent resources and facilities. The Eggar's community has a strong tradition in supporting and valuing the Arts and, if you visit our beautiful school, you will see Art displayed everywhere.

The successful candidate will be a creative individual, excited by the challenge of working in an outstanding school. A visit for a tour of the school and a coffee is highly recommended. All staff will enjoy a high-quality induction programme and there are many professional development and career opportunities available for the right candidate.

The school is renowned for excellent professional development and a strong community where team work is everything. Staff have a comprehensive range of opportunities for continuing in their careers. You are promised a friendly, professional and supportive environment.

For the last 10 years we have continued to raise standards of achievement while at the same time trying to give children a well-rounded education. We are not a school driven by central government initiatives, we do what is best for our school. For example, we do not insist on children taking English Baccalaureate, we advise on an individual basis. We are graded as 'Good with Outstanding features' but we are actually much better than that!

Eggar's is committed to on-going improvement and we recognise there are many areas where we can still improve further. In September 2012 we converted to academy status, which has already provided a catalyst for improving our buildings and facilities. We have a new 100 metre, floodlit Astro-turf sports facility and a bespoke Refectory to accommodate over 400 students.

Our Eggar's Experience programme, where all staff run a club of their choice has offered many fantastic extra- curricular opportunities for students; and staff really enjoy it. We have the NACE (National Association for Able Children in Education) award for our provision for Able & Talented children. This is nationally recognised and held by only 2% of schools.

Eggar's School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to a Disclosure & Barring Services check, along with other relevant employment checks. The application form is available on our website www.eggars.net.

Yours sincerely

Patrick Sullivan
Head Teacher

Welcome to Eggar's School

Eggar's School is situated at one end of the beautiful and historic Wey Valley, beneath the wooded slopes of the Hampshire Downs. The school has one of the oldest foundations in the county.

Under a Trust Deed dated 21st March 1638, a local farmer named John Eggar realised his idea of providing a school to serve the needs of its community. He appointed 'Feoffes' (Governors) and negotiated the purchase of 39 acres of land at Anstey. Unfortunately, he did not live to see his scheme become reality, but Eggar's School thrives and achieves continuous improvement. Each year, in a Founder's Day service at Holybourne Parish Church, the school community remembers John Eggar.

The first Head Teacher was appointed in April 1642, and Mr Patrick Sullivan is the 27th Head Teacher to lead our school. In 1968, the school moved from the original site to the modern buildings and spacious grounds it now occupies at Holybourne. Since 1979, it has been an 11 – 16 comprehensive school aiming to build on its proud tradition by continuing to provide the very best, high quality education for all its children.

We translate this important sense of history into the traditional values of good manners, courtesy and cooperation. We encourage all our students to believe in the importance of respect; respect for themselves, for each other, for their local community and for the community of the world. We are proud of the effect of this emphasis on the young people who leave Eggar's with affection for their school and its traditional values. They carry these comfortably alongside the modern values of flexibility, independence, self-discipline and resilience. They are well prepared for a successful future in a challenging new millennium.

Eggar's School Aims

We encourage every individual to belong, to aspire and to achieve. We have high expectations and believe in high standards, a learning environment in which the aptitudes and interests of each individual child are recognised, respected and fully developed. We know our students well.

We offer a variety of approaches and teaching strategies to develop each student as an independent as well as a cooperative learner. We strive to prepare students for a life beyond school and focus on developing Independent Learning skills.

We seek to match the curriculum to the needs of the individual so that each student develops confidence and a sense of achievement through learning.

We provide continuous professional development for all staff which serves the students very well indeed.

We believe in partnership with parents. We consistently seek to develop this further, and to enrich the curriculum through involvement in our community.

We train Student teachers and Newly Qualified Teachers. We support Recently Qualified Teachers and facilitate programmes for the National Qualifications for School Leadership.

Eggar's is a caring school in which we encourage all members of the school to respect themselves, each other, our local community and the environment.

Facilities

Eggar's School is set on a magnificent 30-acre site, which gives us excellent recreational space including 100 metre astro-turf sports pitch. We have a well-equipped Sports Hall with a fitness suite and also a large Computer Science Centre, alongside our catering refectory.

We have a very successful Arts Faculty, with fine art, three-dimensional art and music great strengths of the school. We have specialist art areas with two music suites, five practice rooms and a drama studio leading into an open-air amphitheatre. We have a Learning Resource Centre and Library. Pupils also enjoy the use of covered walkways, landscaped seating areas and a large reception area where children's work is displayed.

Contact with Parents

The school values and encourages its partnership with parents. Parents and carers are invited to meet subject teachers during the year and progress reviews are issued to keep them informed about the progress of their children.

Curriculum and Teaching Organisation

Years 7 and 8

The curriculum we offer has always been broad and balanced including English, Mathematics, Science, Computer Science, Design Technology, Physical Education, History, Geography, PPD (Philosophy Personal Development) French and Spanish, Music, Art and Drama.

Years 9, 10 and 11

The programme of study in Years 9, 10 and 11 have been developed to deliver an academic and vocational curriculum to meet the needs, aspirations and interests of our pupils. Every student studies English, Mathematics, Science, Computer Science and Physical Education. There is an opportunity for choice at this level and every effort is made to accommodate the wishes of pupils and their parents. The school offers a diverse range of KS4 courses including many of the more practical BTEC courses. Some pupils study KS4 courses at other schools or colleges in Hampshire.

Pastoral Care

Our concern for individual pupils is reflected in our pastoral organisation. The school is year based, each year having a team of tutors and a Year Leader. Tutors and Year Leaders stay with their groups for the full five years. The role of the Year Leader is fundamental to the system; each one has a specific responsibility for the progress for the year group and also has a distinct curriculum role. As with all managers in the school, an important aspect of the role of the Year Leader is to monitor learning. All teachers and tutors in the school are trained to use our data systems so that they can track and monitor the academic development of each individual child, and ensure that all children make progress. In 2011 we introduced a House System, which has energised the rewards system and brought staff and pupils from all parts of the school together in a vibrant and warmly competitive atmosphere.

Service

Please note that it may not be possible to transfer across previously accrued service with other local authority schools or colleges.

Salary

Please note that salaries are not automatically portable between schools as pay scales and funding criteria vary across the country. Salaries for part time posts will also vary subject to the actual days worked in each academic year, which is subject to timetabling requirements.

Equality and Inclusion

British and European law states that a person cannot be employed to this post if they do not have permission to live and work in the United Kingdom.

Job Title: Curriculum Leader of Art

Reports to: Deputy Head Teacher

Salary Range: MPS/UPS + TLR

Job Description

The main purpose of the role is:

- Provide a creative and differentiated curriculum for students in the designated curriculum area as appropriate.
- To monitor and support the overall progress and development of students as a teacher and tutor.
- To facilitate and encourage a learning experience which provides students with the opportunity to achieve their full potential.
- To contribute to raising the standards of student attainment
- To play a full part in the life of the school community, to support its distinctive mission and ethos and to encourage staff and students to follow this example.

The above TLR is determined by current accountabilities and responsibilities within the school structure and is therefore by no means a ceiling to career and salary progression. We are keen to foster a spirit of creativity, innovation and enterprise in our staff. Individuals with potential and expertise are encouraged to lead wider school improvements, and we have a strong record of recognising and developing staff into more senior positions. We hope to appoint a candidate who not only can lead the Science team to further success but also has the ambition and drive to play a part in the ongoing improvement of the school as part of their own professional and career advancement.

Our Pastoral Care System is essential to the ethos of the school. Most teaching staff will take a tutor group. The tutor may be the first person to whom a student chooses to turn for help or advice. As such, a tutor should be both approachable and well-organised so that students can feel secure in the school environment

Full training and development will be given and would suit anyone interested in developing into senior leadership in the future. We have a first-class track record of developing our staff into senior leader positions.

New staff are supported through a carefully constructed induction programme, with all new appointments assigned a mentor or buddy. school. Eggar's is an innovative and enjoyable place to work, with opportunities for career progression within the school actively encouraged and supported.
