

The Key Stage 4 Curriculum

YEAR 8 GCSE Option Form: 2020 - 2023

Dear Student

Please take time to read the attached Year 9 examinations course booklet before submitting your choices and then make 4 choices. This must include at least one from the first EBacc subjects column (Computer Science, French, Spanish, History, Geography). You can only pick one from Art and Photography. Please make one reserve choice; this is in case a subject is oversubscribed or fails to attract sufficient students to make a viable group in a particular block.

You will continue to study English Literature, English Language, Mathematics, Science (combined or triple), Core PE and Philosophy & Personal Development.

Compulsory Core Subjects	English Literature	English Language	Mathematics	Science (Combined)	Physics Chemistry Biology	Core PE	Philosophy & Personal Development
Computer Science		Design & Technology				PE (GCSE)	
French		Food Preparation & Nutrition				PE (BTec)	
Spanish		Art				Music	
History		Statistics				Media Studies	
Geography		Photography				Drama	

Please remember that, although we will do our best to give you what you want, not every student will get **all four** first choices. Please choose, from any block, one **reserve that you are happy to study**.
