Dear Parent/Guardian

School Uniform

Firstly, I would like to thank you all for your support this term, particularly with the Covid-19 testing process. We had a fantastic response with over 90% of the students having the lateral flow test 3 times in school since the February half term, and with no confirmed positive cases amongst staff or students after nearly 3000 tests. I would be very grateful if your children would continue to test twice weekly at home during the Easter break, including the night before we return to school on Monday 19 April. This significantly helps keep us all safe.

From the start of the summer term on **Monday 19 April** we will return to our normal school uniform policy. Children will, therefore, wear full and correct school uniform from this day and bring their PE kit into school to change for their lesson. For all Year 7 students – we will issue locker keys tomorrow on Thursday 01 April. The only request is that that students will be required, unless exempt, to wear a mask when they are in the changing room, and to and from their PE lesson, unless it is outside. We also feel it would be a responsible step to bring in the option to wear the summer uniform forward. Whereas the optional summer uniform could only be worn after the May half term, it can now be worn from the very beginning of the summer term. I attach a copy of the updated school uniform requirements as a reminder and for your information.

That just leaves me to wish you all a restful and safe Easter break and we look forward to seeing everyone again on 19 April.

Yours sincerely

Patrick Sullivan
Head Teacher
