

## 5 FAQ for new Year 7 students

These are the questions we get asked the most by our new Year 7s. If you have any further questions, please don't hesitate to call us on (01420) 541194 or email [transition@eggars.hants.sch.uk](mailto:transition@eggars.hants.sch.uk). We will be very happy to help.

### > Will I get lost?

No is the simple answer! There will be a time where you are unsure where to go, but there are so many friendly faces here at Eggar's that you will always be able to ask for help. On the first day you will get a tour of the school with your tutor group and get a map of the school to put in your planner.

### > What subjects are there?

There may be lots of new, exciting subjects that you haven't heard of before or had a chance to try. From Computer Science to Design and Technology; from Drama to Spanish, there will be a chance to experience a whole range of new subjects. Here is a sample timetable:

### > What is my uniform like?

We believe that uniform is really important. It gives us a strong sense of identity and the ability to show how proud we are of being an Eggar's student.

Students will need to wear black trousers, white shirt, the V-neck plain black jumper, the green Eggar's tie and our Blazer with the school emblem displayed on it. Don't forget the black shoes too to finish it off. In the summer term shorts can be worn, as well as the short-sleeved shirt.

### > **What clubs and trips are there?**

We run lots of clubs at Eggars through our Eggars Experience programme. Some EE clubs are run weekly like our Sports clubs such as football, gym, netball and in the summer cricket and athletics as well as Music and Drama clubs. Some are run monthly, such as Film club, Pet Therapy and Coding clubs. Sometimes we have EE Extra clubs which are one off experiences that students can get involved in. EE clubs are run after school but some are also run at lunch times.

Some departments also offer residential History and Geography field trips or trips abroad like music tours to Italy or ski trips to Austria.
