GCSE RESULTS PRESS RELEASE SUMMER 2021

Our New Heroes of 2021

It was a joy and a pleasure to see our Class of 2021, renamed 'Our New Heroes of 2021', in school today. They came in to collect their GCSE results much earlier this year, after experiencing another most unusual year since Covid-19 entered all our lives in March 2020.

With GCSE examinations cancelled once again this year, it was lovely to see the students with such happy faces, collecting their GCSE grades. Our Year 11 students have been unbelievably focused on their studies before, during and after the most recent lockdown. It was a delight to see them collect Centre Assessed Grades which they had worked so hard for and deserved.

Mr Sullivan, Head Teacher of Eggar's School said, *'I am so proud of this Year Group, they've worked so hard throughout the last 18 months of this most unusual year and today, finally, they got their just rewards. There were some fantastic results achieved and thoroughly deserved. I would also like to thank all the staff who have worked so hard to support the students in achieving such excellent results this year, and who have very carefully followed all the DfE Guidance and been so professional in their assessment practice.'*

In particular, the following students got some stunning GCSE results:

Matthew Cooke with 3 grade 9s, 4 Grade 8s, 2 Grade 7s and 1 Grade 6.

Daniel Ebbutt with 6 Grade 9s, 1 Grade 8 and 3 Grade 7s.
