06 September 2021

Dear Parent/Guardian

## Home Learning

We are writing to update you on our home learning provision which, for Years 8 – 11, begins on 06 September and for Year 7 students on 13 September 2021.

Key Stage 3 (KS3) students receive English, Maths, Science and MFL home learning each week. KS3 students also receive project style tasks across the year; we will share more information about this in due course.

KS4 students receive home learning for all examined subjects. Tasks are shared with students each Monday using Satchel One, with the due date set for the following Monday. Teachers will check home learning during their timetabled lessons each week, recording submissions (submitted, submitted late, not submitted) by the Friday after each task due date.

Students can keep track of their home learning using the Satchel One App which is free to download. Students should login using their school login details. Year 7 students will be introduced to Satchel One during Computing lessons this week. To keep track of your child's home learning, you can download the Satchel One App and login to your parent profile. Year 7 parent logins will be shared soon; if your child is in Year 8 - 11 and you do not know your login details or have any questions then please contact us via [enquiries@eggars.hants.sch.uk](mailto:enquiries@eggars.hants.sch.uk).

Yours sincerely

**Mr C Legg**  
Assistant Head Teacher
