Dear New Year 7 Student & Family

Welcome to Eggar's!

Thank you for choosing Eggar's School and a huge 'Welcome' from all of us here. We believe you have made the right decision in joining our wonderful school and over the next five years we will work hard to support and challenge you to achieve your very best.

Firstly, can I emphasise the need for all of us to work together: the school, student and family. Your journey at Eggar's will be helped through regular communication and dealing with any concern swiftly.

We put the student at the heart of all our thoughts and energies. Our aim is to give you an exciting and stimulating experience throughout your time here. Our belief is that if you enjoy your work, you will work hard and if you work hard, we know you will achieve so much. To that end, my advice is to get involved in as many things as possible. The mantra, the more you put in, the more you get out, could never be more appropriate!

The next five years of your life at Eggar's will be busy, challenging, exciting and hugely rewarding. I am really looking forward to meeting you!

Yours sincerely

Mr P J Sullivan
Head Teacher
