

Eggar's School uniform requirements

All our students are required to wear school uniform. We believe a uniform is really important, giving our students a strong sense of both belonging and of identity.

All students must wear the correct uniform in school and at school events or activities. They must also wear the uniform on the way to and from school. Students who do not have the correct full uniform should bring a note from home explaining the reason to their tutor.

The judgement of the school is final in all issues relating to uniform. All students are required to be presented for school wearing the following uniform.
