Our programme is intended to be both a generic provision as well as providing bespoke opportunities.

Extensive encounters with colleges that provide a range of 'A' Level, 'T' Level and Apprenticeship opportunities are crafted to be meaningful with the chance for interaction and questions. We are grateful to our alumni for supporting our Working Wednesday & Future Friday events. Progress Leaders hold databases of individual student hobbies and interests leading to bespoke opportunities to engage with employers and employees across the five years. We are grateful to a wide range of our local colleges for limitless visits, lectures, masterclasses and tours of their courses and facilities. Enterprise Business Partnership South facilitate our 1-1 Career Guidance interviews as well as group guidance in lower school.
