Dear Parent/Guardian

Year 11 Information

This Autumn Year 11 students have made every effort to focus on their progress and learning. They are noticeably excited about college visits and applications. Teachers and tutors have supported individuals to collectively achieve 1000s of Home Learning activities, 100s of hours of class learning and 10s of hours of extra-curriculum engagement and sport and Period 6 revision. Additionally, the following has taken place:

- College assemblies from Alton, BCOT, FCOT, Peter Symonds and Sparsholt.
- College applications and interview dates (Please see document).
- 1:1 career interview with our Independent Career Advisor.
- Duke of Edinburgh Silver Award expeditions.
- 'A' Level masterclass in Architecture at Farnham College.
- 'A' Level masterclass in Forensic Science at Alton College.
- Auditions & rehearsals for Midsummer Night's Dream.
- Prom preparations for 2024.
- New Prefect ties awarded and Open Event duties.

Autumn Term 2 Revision opportunities

In Autumn Term 2, in the 3 weeks leading to Pre-Public Examinations (PPEs), we will continue to focus revision on group intervention and invite individuals to sessions. In addition, there will be revision resources available online and open classrooms at the end of the day for all in subjects with NEAs to complete. The link to the revision timetable is available [here](#):

- 09.05.24 GCSE Public Examinations begin
- 26.06.24 GCSE Exam Contingency Day

Making the most of each opportunity

In the coming weeks and months, we wish our Year 11 students to make the most of the opportunities on offer at their school. We continue to encourage Year 11 to participate in all aspects of the Eggar's Experience.

Our new rewards initiative **Passport to Prom** will be launched by Mr Mann after half term.

We refer to revision opportunities after school as Period 6. You can infer from this that we have high expectations of Year 11 to remain at school until 15:30 regularly. There is always a way to revise.

Our subject teachers' emphasis that Home Learning is part of your revision programme but not the only independent study you should do. We promote recall and retrieval activities online using apps and offline using book references.

100% attendance is key.

Our team is here to support Year 11. Tutors, Progress Leaders, Individual Needs and Student Support Services as well as your classroom teachers are all here to help. Make the most of these individuals.

Yours sincerely

Shelley Kinteh
Deputy Head Teacher

Mr Richard Mann
Year 11 Progress Leader
