Dear Colleague

**Advanced Notice Anstey Park  
Parking Restrictions – Thursday 2<sup>nd</sup> May to Friday 10<sup>th</sup> May 2024**

I am writing to advise you from Thursday 2<sup>nd</sup> May to Friday 10<sup>th</sup> May there will be some parking restrictions within Anstey Park. This is due to a private organisation booking Anstey Park for parking of film production vehicles.

**Thursday 2<sup>nd</sup> May to Friday 10<sup>th</sup> May**

The grass area on the attached plan, location A, to the left of the Football Enclosure and the Skate Park/MUGA, will be utilised for parking. From Thursday 2<sup>nd</sup> May to Saturday 4<sup>th</sup> May trackway will be installed on the area. Production vehicles and units will start pulling onto site on Monday 6<sup>th</sup> May. It is hoped the trackway will be removed on Wednesday 8<sup>th</sup> May and Thursday 9<sup>th</sup> May with Friday 10<sup>th</sup> May being a backup day should it be needed.

**Monday 6<sup>th</sup> May to Wednesday 8<sup>th</sup> May**

The main car parking areas, see locations C and D on the attached plan, will not be in public use, as these areas too will be utilised for parking.

Also, for the duration please can you also refrain from parking along the drive within Anstey Park. Advanced notices have gone up within Anstey Park advising visitors to the park of these restrictions. The production company will also have marshals and security on site during this time.

I would be grateful if you could share this letter with your parents/carers/members who utilise the parking area within Anstey Park making them aware of the restrictions.

Yours faithfully

*Pat Harris*
