

# HEAD OF LOWER SCHOOL INTRODUCTION

Belong | Aspire | Achieve

“

Hello and welcome to Eggar's. My name is Mr Hardman. I am thrilled to introduce myself as the Head of Lower School for September 2024.

”

For the past five years, I've been part of the Eggar's family, teaching Geography and witnessing the remarkable growth of our students. Whilst I am passionate about teaching my subject, outside of school I have a keen interest in football and enjoy a round of golf, (although I must confess, my technique is in need of improvement).

At Eggar's, I am involved in our "Eggar's Green" Eco Initiatives and have worked to forge close links with YACAN (Young Alton Climate Action Network) this year. I am also responsible for our Student Ambassador programme, developing students as leaders. I feel so proud to see our students represent Eggar's and to see how much they love their school.

As we eagerly await the start of the new academic year in September, I am filled with excitement at the prospect of meeting each and every one of you. Together, we will discover new learning, experience personal development and have fun. **I will be here to support you and your family as we embark on this incredible journey together.**

**I hope to see you all in July for our Discovery Days, 24th and 25th July. On these days, you'll start to find your way around and make some new friends. I am looking forward to September already.**

Mr Hardman
