

HOW TO REVISE

Maths

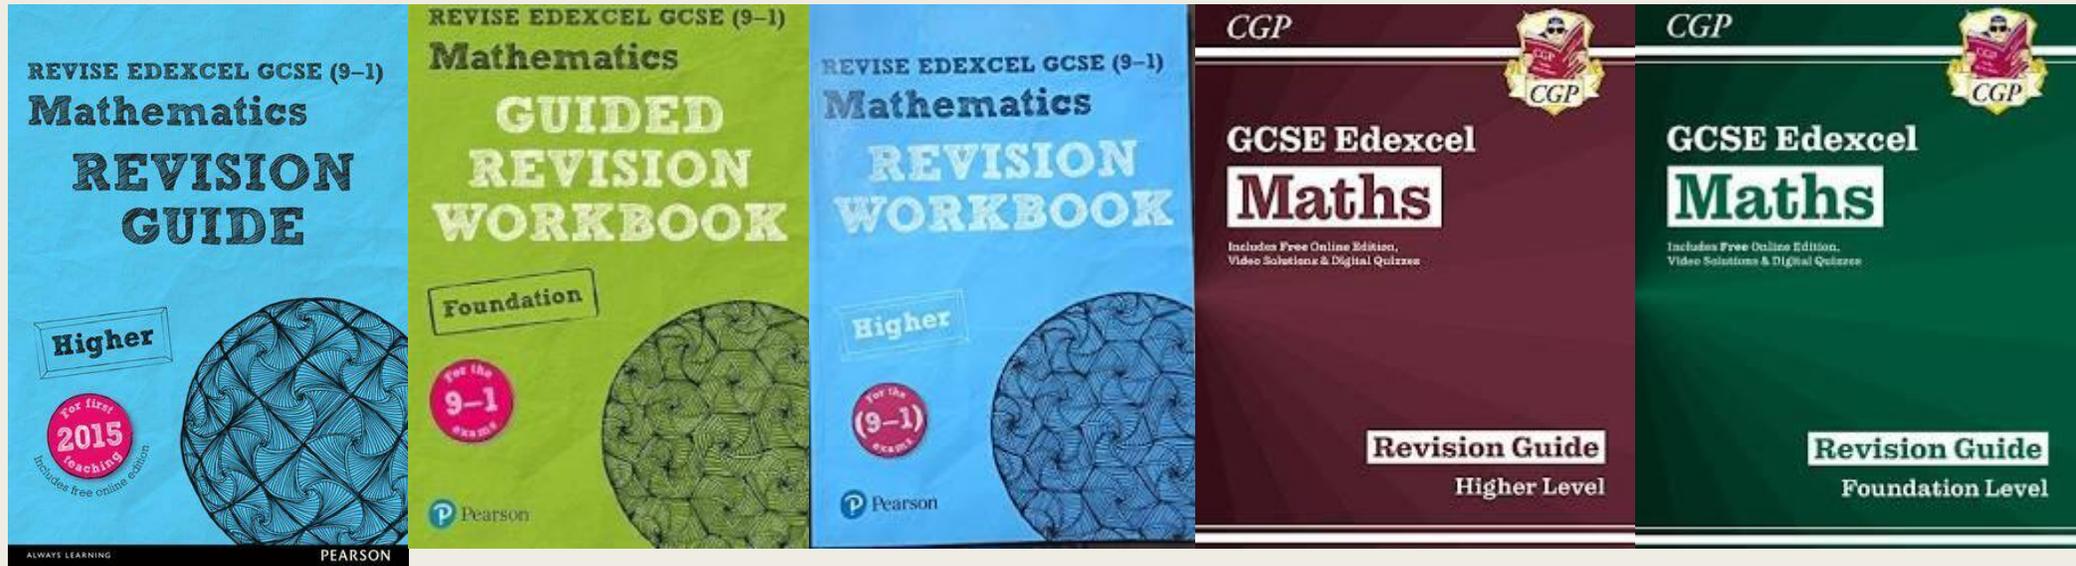

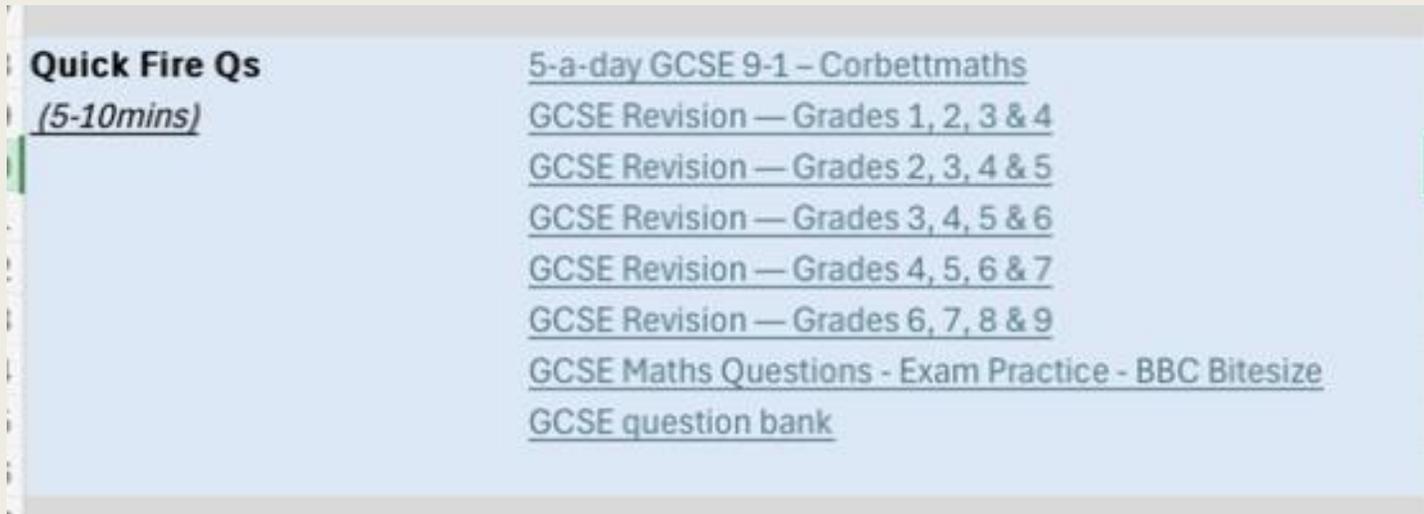

The best way to learn
maths, is by doing maths

Revision Guides and Workbooks

- Revision guides and workbooks are a great way to get some 'screenless' revision completed. This is especially fantastic if you find yourself easily distracted by a screen while revising.
- **Warning:** Just reading the revision guide is not enough, you should be completing questions and using the revision guide to help you with the methods to complete them.

10-15 Minute Maths

These are quick 5 – 15 minute activities, where the questions are a selection of topics at either the grades indicated, or at the exam tier indicated.

They're great if you don't have enough time to smash through some Sparx maths or exam questions.

15-30 Minute Maths

7	
8	Topic Based
9	Practice
0	(15 - 30mins)

[GCSE Foundation 2025 - 100 Days to Go - Corbettmaths](#)

These sites allow you to select topics that you know you need to revise. You can get this information from the list of topics provided by your teacher.

13	Using a written method to multiply and divide integers	4 / 4	U127, U666
14	Plotting straight line graphs	0 / 3	U741
15	Finding percentages of amounts, Using a written method to divide integers	4 / 4	U554, U868
16	Finding percentages of amounts without a calculator	2 / 2	U554
17	Dividing fractions	3 / 3	U544
18	Using a written method to multiply decimals	3 / 3	U293
19ai	Calculating with roots and powers	1 / 1	U851
19aii	Index rules with negative indices	0 / 1	U694
19b	Index rules with positive indices	0 / 2	U235
20a	Prime factor decomposition	2 / 2	U739
20b	Finding the HCF and LCM using prime factor decomposition	2 / 2	U250
21a	Calculating the mean	2 / 3	U291
21b	Calculating the mean	0 / 1	U291
22	Constructing perpendicular bisectors and lines	1 / 2	U245
23	Angles in triangles, Constructing and solving equations	4 / 4	U628, U599

The codes on the right are for use with Sparx Maths and take you straight to the topic required!

30 Minutes to 1 Hour Maths

Having this much time allows you to engage with a solid amount of exam practice.

The sites in the excel sheet are places where you can find past exam questions and their associated mark schemes.

If you are very confused on a question, remember to ask your teacher or a friend!

**Exam Practice
(45mins - 1hr)**
