

HEAD OF LOWER SCHOOL INTRODUCTION

Belong | Aspire | Achieve

“

My name is Mr Hardman, and I'm delighted to continue in my role as **Head of Lower School**, overseeing our fantastic Year 7 and 8 students.”

Having been part of the Eggar's community for over five years now, I've had the privilege of teaching Geography and supporting students as they grow both academically and personally during their first years with us. I am proud to be '**Team Eggar's**', working closely with Mrs Holman and our dedicated teachers and staff.

At Eggar's, I play an active role in our *Eggar's Green* eco initiative, and I'm delighted to share that we were awarded the **Green Flag with Merit** last year — a brilliant achievement that reflects the hard work and passion of our student Eco Committee. I also lead our **Student Ambassador Programme**, which develops leadership skills and gives students the chance to represent the school with pride — something that never fails to make me incredibly proud.

As we look ahead to September, I'm genuinely excited to meet you and support your child as they settle into life at Eggar's. It's always a joy to see new students thrive — forming friendships, growing in confidence, and discovering new passions along the way. Rest assured, I'll be here to support both you and your child every step of the way as we begin this exciting new chapter.

I very much hope to see your child at our **Discover Eggar's Summer Camp Days on Wednesday 23rd and Thursday 24th July**. Mrs Holman and Jasper, our school dog, will also be there to welcome you. These days are a brilliant opportunity to have fun, get familiar with the school, and mix with the rest of the tutor group before September.

Mr Hardman
