Eggar's School

Dear Parent/Guardian

Welcome to Eggar's!

I am delighted that your child will be starting with us in September. We can't wait to get to know them.

To support their exciting transition to secondary school and to help you all feel part of our community as soon as possible, we would like to invite you to a special event on Tuesday 10th March to meet some of our staff team and to hear about key dates and events as part of our transition journey. We will introduce you to 'The Eggar's Way' and talk about how we will support your child to 'Belong, Aspire and Achieve' right from the very start of their time with us. There will be information available to you ahead of September, including an Information Pack to take home, and an opportunity to ask any questions you may have.

Spaces are 'unlimited' as we would love to see you there. There is no need to book in advance so please arrive at either 5.30 or 6pm.
